

Report of the WSFS Nitpicking and Flyspecking Committee

2011 WSFS Business Meeting

Authority

Standing Rule 7.7: Nitpicking and Flyspecking Committee. The Business Meeting shall appoint a Nitpicking and Flyspecking Committee. The Committee shall:

- (1) Maintain the list of Rulings and Resolutions of Continuing Effect
- (2) Codify the Customs and Usages of WSFS and of the Business Meeting.

Members

The members of the NPFSC are Don Eastlake, Tim Illingworth, and Kevin Standlee. The committee is willing to serve for another year.

Actions

In accordance with object (1), the committee continues to maintain the list of Rulings and Resolutions of Continuing effect through the WSFS web pages at <http://www.wsfs.org> and will continue to do so to the extent the committee is able to do so. (The 2010 Rulings and Resolutions are attached to this report.) Updating the WSFS web site continues to be challenging.

Pursuant to BM-2001-1 and subsequent related resolutions, the committee has, once every six months, reminded seated Worldcons of the requirement for legibility of badges, of the Business Meeting's request that Hugo Administrators publicize the list of works published by Best Editor nominees, and of the existence of standard lists of Worldcons and Hugo Awards.

Last year's WSFS Business Meeting instructed this committee "to review the governance and operation of all business meeting committees and include the results of this review in its next report." The Committee regrets to report that it has not completed this task.

Recommendations

The Committee has no recommended actions at this time.
